Ladies and Gentlemen:

**MEGAWIDE CONSTRUCTION CORPORATION** ("Proponent") writes in relation to our request for assistance in securing the available DepEd ownership documents from your Titling Office.

Proponent would like to respectfully follow up on the remaining ownership documents of 460 school buildings which have not yet been submitted to the Proponent. As you know,

the ownership documents are required for the issuance of Building and Occupancy Permits. The following are the number of schools without ownership documents broken down per region:

REGION	# OF SCHOOLS
I	6
II	140
III	193
CAR	121
<b>TOTAL</b>	<b>460</b>

The Proponent has been following-up for the said ownership documents since July 2017. The Proponent has already sought assistance from the relevant Division Offices and School Heads, however, there were no documents available.

As you are also aware, the Defects Liability Period of the foregoing 83 schools have ended and the Certificates of Final Acceptance (COFA) thereof should be issued pursuant to Section 13.1(b)1 of the Agreement. While the Proponent is required to secure the Permits under the Agreement, the DepEd is similarly obligated to assist the Proponent in the acquisition of the same. Considering that the delay in this regard is due to the failure of DepEd to provide the required documents, the Proponent is likewise requesting that the COFAs be issued in light of the Contractor's compliance with the MPSS, Certified CED and Certified DED, as can be attested to by the Independent Consultant and the DepEd's Division Engineer.

We are hoping for your favorable action on this matter.

Respectfully yours,

**NORMAN N. ESCOBAR**  
MCC Regional Director

Section 13.1 (b) states:

- b. x x x The DepEd shall issue a Certificate of Final Acceptance covering a Sub-Project that conforms the MPSS, the Certified CED and the certified DED for the Sub-Project at the end of the Defects Liability Period.
